Interring of Ashes

Interring of ashes means that a hole is dug, and the ashes scattered in the hole which is then filled in and the turf replaced (if scattered in a grass area).

Scattering of ashes for a person cremated elsewhere	£95

Additionally, you can decide to purchase a plot either to bury ashes in a container permanently or purchase a plot for a set period of time in which to bury the ashes loose.

Purchase of a New Grave

Kensal Green Cemetery has limited grave space left. For this reason, a decision has been taken to not sell graves 'in reserve'. Graves will only be sold at the point that a burial is due to take place. Note that the prices below are for the grave only and do not include the burial fees.

	Price
New Grave (6' 6" x 2'6")	£15,000
New Grave (6' 6" x 2'6" front row)	£20,000
Small Child's Grave - up to (and including) 4 years old Standard Size 4' 0" by 2' 0"	£7,500
Ashes Plot <i>(for burial of ashes loose or in a container)</i>	£3,750

If you are interested in purchasing a plot for a Mausoleum, please contact the General Cemetery Company on 0208 969 0152.

Burial Fees

The Burial Fee (sometimes call 'interment fee) is the price for digging the grave. Whether an existing grave or a new grave is being dug, the burial fee is the same and applies for each burial.

Regardless of the size of the plot, the burial fee does vary if the size of the coffin is larger than the standard size (6'6" x 26"). The burial fee also varies depending on the depth that needs to be dug. The Cemetery no longer accepts metal caskets and wooden caskets are only accepted subject to survey.

Removal and Replacement of Headstones

Monuments have to be removed to facilitate subsequent burials. We will remove the headstone/monument for the charges below. They will be placed in the cemetery nearby to the grave they have been removed from. There is no storage area within the cemetery that they can be removed to. Alternatively, you may choose to employ a mason to remove a stone and take it away until it can be replaced.

Stones can normally be replaced after one year, but our groundsmen will check whether the ground has sufficiently settled in order for this to happen before moving a headstone back. If there are flowers or other tributes on the grave these will usually be removed and placed to the side of the grave to allow the stone to be returned.

Removal and Replacement of Stones	
6' 6" by 2' 6"	£255
7' 0" by 3' 0"	£300
8' 0" by 3' 0"	£395
9' 0" by 4' 0"	£525

Permit Fees

Permit fees are paid by the Mason, so the price you pay to your mason to erect, repair or clean a stone/monument or add inscriptions is the total price. The price list below is the price that the Mason pays to the Cemetery.
